
Logging into Canvas

Go to [www. myiccoc.com](http://www.myiccoc.com)

Some colleges provide single sign-on with Canvas and you can login through you college portal.

The screenshot shows the ICCOC Canvas login interface. At the top left is the ICCOC logo in red. To its right is a link that says "Browse courses". Below the logo are two white input fields: the first is labeled "Email" and the second is labeled "Password". Under the "Email" field is a "Stay signed in" checkbox. Below the "Password" field is a "Forgot Password?" link. To the right of these fields is a red "Log In" button. At the bottom of the form, there are links for "User Research", "Help", "Privacy policy", "Terms of service", "Facebook", and "Twitter". At the very bottom, the word "INSTRUCTURE" is displayed in a light gray font.

If you do not have an account in Canvas, please contact your home college Dean/Director of Distance Learning.

Login Troubleshooting If you are having trouble logging in to your account, here are some tips:

- Verify you are using the correct Canvas URL for your account.
- If you use more than one Canvas URL, make sure you are using the correct login and password for each Canvas URL.
- If your login was given to you from your institution and you are having trouble logging in, please contact your institution.
- If you do not have a login and password, you may need to contact your home college.
- If you have forgotten your password, you may be able to reset your password.
